THE FORGE

ESCAPE TO THE WILD

July 2020

HOW IT WORKS

You and up to 30 of your friends and family book out our luxury bell tents and our vintage gypsy caravan for three or more nights. We cook you some seriously delicious food and lay on a whole range of bushcraft activities to keep you entertained throughout your stay. You decide when and what you want to do and eat and we craft a whole package, bespoke to your party. You get the whole 3-acre site to yourselves, including our Iron Age hill fort and fire circle which is the perfect spot to crank up the campfire and the music to create your own mini-festival vibe!
